Community Conversation About Aging

With Assemblymember Jacqui Irwin and the Ventura County Area Agency on Aging (VCAAA)

Join us for a community conversation about the benefits and challenges of aging in Ventura County. There will be a Panel of Experts explaining the resources currently available, but we want to hear from you, the community:

What resources do you think are needed to help you optimally age here in Ventura County?

You will have the opportunity to interact with community organizations at various Resource Tables.

We hope to see you there!
